Sir:

In response to the Restriction Requirement dated May 29, 2003, Applicant hereby makes the following election.

Applicant hereby elects Group I, including Claims 1, 2, 5 and 6. Claims 1, 2, 5 and 6 were amended by Preliminary Amendment filed October 8, 2002 and presently read as follows.

Claims

1. (Amended) A dynamic structural dimple panel, comprising:
a dimple layer having a plurality of dimples extending from one side of the dimple layer, said dimples being spaced from one another and not touching, said dimple layer absorbing, storing, dissipating or distributing energy to make said dimple layer compliant;
and
